The screenshot shows the Cash for Kids website interface. At the top right, there are three buttons: "Sign in", "Find a Fundraiser", and "Start fundraising". The main banner features a group of diverse children running happily in a park, with the "cashforkids" logo overlaid on the left. Below the banner, a pink bar displays "100 Fundraisers signed up" and "£10,000 Raised so far". The main content area has a white background with a collage of images showing children and adults engaged in various activities like cycling, playing sports, and singing. To the right of the collage, the text reads "Make a difference to local disabled and disadvantaged children" with a prominent "Become a Fundraiser" button. Below this button is a smaller link: "Find a Fundraiser to sponsor".
